## 1 Corinthians

### 3:9

*“For we are God’s  
workers, working  
together.”*

Middle school-aged synod youth (6th-8th grade)--from Superior to Marshfield--are invited to Bethany Lutheran Church in Rice Lake, WI for the 2018 Christ Jam Youth Gathering! Lead by the gifted and passionate Synod Youth Board, Christ Jam will feature keynote speaker John Peterson, a former Olympic Wrestler from Comstock, WI, the band The Fourth Degree, and many fun and diverse workshops. All participants will take home a t-shirt and have a catered lunch!

The Fourth Degree is a country/rock cover band out of Hammond, WI. Most of the members make up the worship band at Trinity Lutheran Church in Hammond, though they two distinct groups. For Christ Jam the two will join forces to put on an energetic show that will make worship fun for everyone! The band was formed in high school and continue to play for numerous events past graduation. The members are Tyler Dennis, Lexi Vasser, Cris Carasco (all from Hammond), along with RJ Feyereisen (Roberts, WI), and Alex Golden (Eden Prairie, MN).

**John Peterson**

**Keynote Speaker**

John is an Olympic wrestler from Comstock, WI. He took the silver medal at the 1972 Winter Olympics and the gold four years later. Both times he wrestled alongside his brother, Ben. Even though he is fond of those memories, he says they cannot compare to the joy of knowing the Lord Jesus and living for Him daily. This is something he realized at the age of twelve! Now he enjoys staying active in his community, working with Athletes in Action, and spreading the love of Christ with everyone around.
