GOD PAUSE

Mark 3:20-35

With all the various competing wills taunting us to stray from God's will, each of us might be the kingdom or house divided that cannot stand. But the Holy Spirit works in us through the word bringing God's will to fruition. While we may not cast out demons, the good news through which the Spirit calls us, gives us God's own authority to confront the taunting that would lead us into despair and sin. Denying the Holy Spirit's work is unforgivable because this denial rejects the possibility that God wants to save all people from the effects of that first and persistent sin. The sin of believing and trusting the taunts, rather than God's word.

Powerful Hope, shore up the foundations of our faith so we might show others your love that leads out of despair. Amen.

As Is: A Summer Preaching Series The worship staff has designed a summer preaching series loosely based on the Peder Eide song "As Is." Each week, we will take a closer look at one Bible character that was either labeled as imperfect or used an excuse to not be a part of God's plan for them. We will focus on God choosing us and using us, exactly the way we are, to do great things in the world.

Giving Goes Mobile at Bethany

One of the neat features that Bethany is able to offer it's members and visitors is Text Giving! The process only requires a few steps to set up and then giving is as simple as sending a text. If you haven't tried it, check it out! Here is how it works:

1. Donors will text an amount to Bethany's dedicated Text Giving number **715-303-3484**.
2. The first time a donor texts a donation, they will be prompted with a one-time registration screen. This will assign their mobile number to Bethany and allow them to select what account their text donations are withdrawn from.
3. Just text the amount and fund you would like the donation to go to. If a fund isn't typed in, the donation will automatically go to the General Fund.
4. All subsequent donations will simply be texting the amount to Bethany's text number (which can be saved for easy access in their phone's contact list).
5. Donors will get a text confirmation that their donation was successful.
6. Donors who text donations and donate online will have all of their history tied to their account.
