## GOD PAUSE

Mark 6:30-34, 53-56

Today we think about God's gift of "REST."

I can just hear the apostles telling Jesus about their ministry and all the things they had been doing. It must have been like when I would babble on about everything I was doing and what I said and who I met and it was all about ME, and my mom would interrupt me and say, "Margaret ANN! Give it a rest!" Now I'm not saying Jesus' followers were being cocky, or even trying to outdo each other, but I think we all need to find time to stop "DOING" and just listen to God's teaching, guidance and words of wisdom for us. We all need time to just "BE" and REST in God's presence. I once lost power for three days in the country. No TV, so I could clean, read or reflect on where God was leading me. It's amazing the clarity and renewal I found in resting and listening to God.

*God of peace, you know us better than we know ourselves. Help us to find the rest we need to fill our cups to overflowing with your love. Amen.*
